This “Find Help in Lake County” guide is a working document and is updated almost daily. It is a short list of services that are available and it does not list all of the not-for-profit agencies in Lake County. It does not list all of the services provided by each agency. For updated information, this document will soon be available on www.uwlakeco.org.

Many thanks to all of the agencies and individuals that have provided feedback and information to keep this guide up to date. A special thanks to the Waukegan Township’s Park Place Senior Citizens Services Committee for their review of the Senior Citizen services.

For further information, updates or questions, contact Ted M. Byers, United Way of Lake County, Illinois, 847-775-1042 or tbyers@uwlakeco.org
