RE: 2025 Social Service Grant Application

Dear Social Service Grant Participant,

Thank you very much for your participation in the 2024 Village of Vernon Hills Social Service Grant Program. Vernon Hills would not be the community that it is today without the support of your organization and the important services you provide.

The Village of Vernon Hills will soon begin reviewing applications for 2025 Social Service Grants. Like in the past several years, funding for this program is limited; however, the Village understands the vital importance of the services your agency provides to our community. As a past grant recipient, we would like to extend an opportunity for your organization to complete and submit an application for consideration for 2025 funding. Please find enclosed the 2025 Social Service Grant application. This application may also be found on the Village of Vernon Hills website – www.vernonhills.org.

Grant applications should be mailed to the undersigned at the Village of Vernon Hills or submitted via email to elizabethk@vhills.org no later than **February 28, 2025**. After initial review of your application, the Village will contact you if more information is necessary. Grant recipients for the 2025 program are anticipated to be announced in April 2025, with funding to be distributed in May 2025.

If you have any questions regarding the 2025 Social Service Grant Program, please contact Elizabeth Koehl at 847-918-3546 or elizabethk@vhills.org.

Sincerely yours,

VILLAGE OF VERNON HILLS
