

RESOLUTION 2010 - 091

**A RESOLUTION AUTHORIZING THE PURCHASE OF FIVE LAPTOP COMPUTERS FOR PATROL VEHICLES FROM CDS OFFICE TECHNOLOGIES IN AN AMOUNT NOT TO EXCEED \$25,000**

**Whereas**, one third of the in-car computers are three years of age, are out of warranty, and are nearing the end of their life expectancy, and the Department has a replacement plan in which deficient and un-serviceable computers are replaced and updated annually; and

**Whereas**, in addition to computer-aided dispatch, the department has transitioned to electronic field reporting and digital video recording applications, and the current computers do not have the processor capability to maintain these advanced applications; and

**Whereas**, the Police Department has budgeted money in the FY 02010-11 E-911 Budget for emergency related communications equipment; and

**Whereas**, all purchases and contracts over \$20,000 require Board of Trustees approval; and

**Whereas**, the Police Department has determined that CDS Office Technologies is capable of providing these computers; and

**Whereas**, this purchase meets the Village's bidding requirements because CDS Office Technologies has been awarded the bid for these computers by the State of Illinois approval; and

NOW THEREFORE BE IT RESOLVED BY THE VILLAGE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF VERNON HILLS, LAKE COUNTY, ILLINOIS:

**That** the Village Manager is authorized to direct the Police Department to purchase the necessary hardware as specified for police operations from CDS Office Technologies for an amount not to exceed \$25,000.

Dated this 6th day of July, 2010.

Adopted by roll call vote as follows:
