

RESOLUTION 2009 -127

**A RESOLUTION AUTHORIZING THE PURCHASE OF LAPTOP COMPUTERS FOR  
PATROL VEHICLES FROM CDS OFFICE TECHNOLOGIES IN AN AMOUNT NOT TO  
EXCEED \$36,000.**

Whereas, eight of the current in-car computers that need replacement are five years of age and older, and are at the end of their life expectancy, and the Department has a replacement plan in which one third of the computers are replaced and updated annually; and

Whereas, in addition to computer-aided dispatch, the department has transitioned to electronic field reporting and digital video recording applications, and the current computers do not have the processor capability to maintain these advanced applications; and

Whereas, the Police Department has budgeted money in the FY 02009-10 E-911 Budget for emergency related communications equipment; and

Whereas, all purchases and contracts over \$20,000 require Board of Trustee approval; and

Whereas, the Police Department has determined that CDS Office Technologies is capable of providing these computers; and

Whereas, this purchase meets the Village's bidding requirements because CDS Office Technologies has been awarded the bid for these computers by the State of Illinois approval; and

NOW THEREFORE BE IT RESOLVED BY THE VILLAGE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF VERNON HILLS, LAKE COUNTY, ILLINOIS:

That the Village Manager is authorized to direct the Police Department to purchase the necessary hardware as specified for police operations from CDS Office Technologies for an amount not to exceed \$36,000.

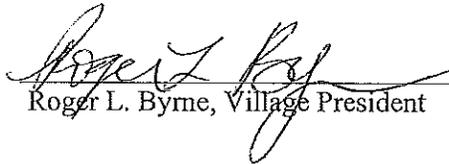

Dated this 7th day of July, 2009.
