

## Vernon Hills Census 2020 Complete Count Committee

The Village of Vernon Hills has developed a Complete Count Committee for Census 2020 that encompasses a comprehensive range of government and community leaders from advocacy, education, business, village and elected officials. The Committee has a robust group of trusted voices to assist and support census awareness and encourage participation in the Census 2020 survey.

Leading the Complete Count Committee for Census 2020 is Dr. Bryan J. Watkins. Dr. Watkins has served as Vice President and Chief Academic Officer at Lake Forest Graduate School of Management, Dean and Associate Professor at North Park University, Acting Assistant Provost for Continuing Studies & Special Initiatives at Dominican University, as well as serving in a variety of capacities at other prestigious academic institutions. Dr. Watkins service experiences offer avenues and assistance to reach out to college students, faculty, and past and present partnerships he is involved with. We are delighted to have Dr. Watkins as part of the Census Committee. You can find the entire listing of the Census Committee members affiliated with Vernon

Hills and Lake County under the Village of Vernon Hills website, by clicking under the Census 2020 orange circle icon at the top of the page.

In addition, at the recent Committee gathering on September 23, 2019, participation from guest speaker, Kamil Szalewicz. Kamil is a partnership specialist from Chicago Regional Census Center. He gave a brief presentation on ways to support and educate communities on Census 2020. Kamil requested members to communicate any upcoming events where the Census Bureau could meet and share Census 2020 information.

The next Census Webinar is on October 28, 2019. The following Complete Count Committee Meeting in the Vernon Hills area will be held on January 15, 2020 at the Vernon Hills Village Hall at 5p.m. located at 290 Evergreen. If anyone would like to join the committee, he or she can email Jennifer Heavrin at [JenniferH@vhills.org](mailto:JenniferH@vhills.org).

Additionally, please check out the Village of Vernon Hills website for Census 2020 links, support and information. New information, downloads and links are added weekly, so check back often!
