## AMENDMENT

This amendment ("Amendment") is effective as of the date of signature of the last party to sign as indicated below ("Amendment Effective Date"), by and between Tyler Technologies, Inc., a Delaware corporation with offices at 840 West Long Lake Road, Troy, MI 48098 ("Tyler") and Village of Vernon Hills, with offices at 754 Lakeview Parkway, Vernon Hills, IL 60061 ("Client").

WHEREAS, Tyler and the Client are parties to a license agreement with an effective date of February 2, 2007 (the "Agreement"); and

WHEREAS, Tyler and Client now desire to amend the Agreement to add Planned Annual Continuing Education (PACE).

NOW THEREFORE, in consideration of the mutual promises hereinafter contained, Tyler and the Client agree as follows:

1. The PACE-05 Services set forth in Exhibit 1 are hereby added to the Agreement. The services include five training days and two Connect conference passes at a current annual fee of 6,300. The following payment terms shall apply:
  - a. The initial PACE term commences on the Amendment Effective Date and remains in effect for one (1) year. The PACE term will renew automatically for additional one (1) year terms unless canceled in writing by either party at least forty-five (45) days prior to the end of the then-current term.
  - b. Your PACE fees for the initial term will be 6,300. Your PACE fees for each subsequent term will be at our then-current rates. PACE fees are billed annually in advance on the anniversary of the Amendment Effective Date.
  - c. Any training services or Connect registrations purchased prior to the start of the initial PACE term will be invoiced as incurred.
  - d. Training days expire at the end of each PACE term and can only be utilized on live modules.
  - e. Travel and Living Expenses are not included in the PACE fees and will be invoiced as incurred in accordance with our then-current Business Travel Policy.
  - f. In the event Client cancels services less than two (2) weeks in advance, Client is liable to Tyler for (i) all non-refundable expenses incurred by Tyler on Client's behalf; and (ii) daily fees associated with the cancelled services if Tyler is unable to re-assign its personnel.
  - g. Training hours are scheduled and delivered in four (4) or eight (8) hour increments.
  - h. Tyler provides on-site training for a maximum of twelve (12) people per class. In the event that more users wish to participate in a training class or more than one occurrence of a class is needed, Tyler will either provide additional days at then-current rates for training or Tyler will utilize a Train-the-Trainer approach whereby the client-designated attendees of the initial training can thereafter train the remaining users.
  - i. Tyler's prices do not include applicable local, city or federal sales, use excise, personal property or other similar taxes or duties, which you are responsible for determining and remitting.
2. This Amendment shall be governed by and construed in accordance with the terms and conditions of the Agreement. All other terms and conditions of the Agreement shall remain in full force and effect.

IN WITNESS WHEREOF, the parties hereto have executed this Amendment as of the dates set forth below.

**Assumptions**

Personal Computers must meet the minimum hardware requirements for New World products. Microsoft Windows 7/8.1/10 32/ 64 bit or later is required for all client machines. Windows Server 2012R2/2016/2019 and SQL Server 2012/2014/2016/2017/2019 are required for the Application and Database Server(s).

New World product requires Microsoft Windows Server 2012R2/2016/2019 and SQL Server 2012/2014/2016/2017/2019, including required Client Access Licenses (CALs) for applicable Microsoft products. Servers must meet minimum hardware requirements provided by Tyler. The supported Microsoft operating system and SQL versions are specific to Tyler's release versions.

New World product requires Microsoft Excel or Windows Search 4.0 for document searching functionality; Microsoft Word is required on the application server for report formatting.

Tyler recommends a 100/1000MB (GB) Ethernet network for the local area network. Wide area network requirements vary based on system configuration, Tyler will provide further consultation for this environment.

Does not include servers, workstations, or any required third-party hardware or software unless specified in this Investment Summary. Client is responsible for any third-party support.

Licensed Software, and third-party software embedded therein, if any, will be delivered in a machine readable form to Client via an agreed upon network connection. Any taxes or fees imposed are the responsibility of the purchaser and will be remitted when imposed.

Tyler's GIS implementation services are to assist the Client in preparing the required GIS data for use with the Licensed New World Software.

Depending upon the Licensed Software the Client at a minimum will be required to provide an accurate street centerline layer and the appropriate polygon layers needed for Unit Recommendations and Run Cards in an industry standard Esri file format (Personal Geodatabase, File Geodatabase, Shape Files). Client is responsible for having clearly defined boundaries for Police Beats, EMS Districts and Fire Quadrants. If necessary Tyler will assist

Client in creating the necessary polygon layers (Police Beats, EMS Districts and Fire Quadrants) for Unit Recommendations and Run Cards. Tyler is not responsible for the accuracy of or any ongoing maintenance of the GIS data used within the Licensed New World Software.

Client is responsible for any ongoing annual maintenance on third-party products, and is advised to contact the third-party vendor to ensure understanding of and compliance with all maintenance requirements.

All Tyler Clients are required to use Esri's ArcGIS Suite to maintain GIS data. All maintenance, training and ongoing support of this product will be contracted with and conducted by Esri. Maintenance for Esri's ArcGIS suite of products that are used for maintaining Client's GIS data will be contracted by Client separately with Esri.

When Custom interface is included, Custom interface will be operational with existing third-party software. Any subsequent changes to third-party applications may require additional services.

Exhibit 1

When State/NCIC is included, Client is responsible for obtaining the necessary State approval and any non-Tyler hardware and software. Includes state-specific standard forms developed by Tyler. Additional forms can be provided for an additional fee.
