Re: Extension of Professional Services Agreement between Morrill & Fiedler, LLC and the Village of Vernon Hills for Government Relations Representation Throughout Calendar Years 2022 and 2023

Dear Kevin:

This letter agreement extends the existing professional services agreement dated December 8, 2009 for a ninth consecutive time. This extension incorporates herein the terms of the December 8, 2009 agreement under which Morrill & Fiedler, LLC (“M&F”) – previously Morrill and Associates, P.C. (“M&A”) – will provide the Village of Vernon Hills (“VHILLS”) with Illinois government relations services during calendar years 2022 and 2023.

By execution of this letter, the parties agree to extend the original contract between them, dated December 8, 2009, for an additional 24-month period – with this extension running from January 1, 2022 until December 31, 2023. The monthly rate shall modestly increase from \$4,500 per month to \$5,000 per month (for a total of \$60,000 annually); however, if events warrant an increased role for M&F during the term this agreement, the parties shall discuss a possible increase in the fee, which may only occur via a subsequent writing executed by both parties.

It is understood that the services provided by M&F to VHILLS are non-legal government relations services; legal services may be separately rendered by Steve Morrill through Barnes & Thornburg, LLP (“B&T”), a law firm of more than 700 attorneys with which Morrill is associated as “Of Counsel,” should VHILLS desire to separately engage Morrill and B&T for such purpose. M&F is not structured as a law firm, and does not practice law. It is understood that M&F and B&T are separate and distinct entities, with neither being liable for the acts or omissions of the other; it is also understood that M&F’s engagement by VHILLS cannot be asserted as a basis to disqualify B&T from its current or future representation of any client in any matters in which B&T’s clients may be adverse to VHILLS, or vice versa.

During the 2022 and 2023 regular and veto legislative sessions, and during any special session that may occur, M&F will continue to provide guidance to VHILLS regarding the types of substantive legislative, executive, and administrative issues of concern to VHILLS that would be subject to ongoing lobbying services, including:

- Continued discussions with IDOT and VHILLS’ state legislators to help secure the release of funding for their respective member-initiative capital projects impacting the Village, along with efforts to obtain new member initiatives.
- Monitoring the administrative implementation of recreational (or “adult use”) cannabis in Illinois, and any subsequent legislative changes to the program made by the Illinois General Assembly.
- Monitoring legislation pertaining to state tax policy and tax distribution to local governments.
- Monitoring legislation impacting local economic development tools (*e.g.*, TIF district reform proposals, Enterprise Zones, DCEO program funding).
- Monitoring legislation impacting local, police, and fire pension liabilities.
- Monitoring legislation impacting criminal justice and policing reforms.
- Monitoring legislation pertaining to the regulation of small cell service and the potential impacts on Village right-of-way.

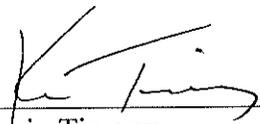

In addition to the scope and services outlined in previous engagement agreements, M&F will continue its efforts in building strong relationships between VHILLS and the Illinois General Assembly, Governor J.B. Pritzker and his senior administration personnel, state agency directors, and senior personnel within the agencies – including but not limited to the Office of the Governor, Illinois Department of Transportation, and Illinois Department of Revenue.

The engagement agreement dated December 8, 2009, and subsequent extension letters are available to VHILLS upon request. Please indicate your acceptance of and agreement to the terms of this letter agreement by signing below and returning one original copy, fully executed.

Very truly yours,

Stephen S. Morrill
